It is in the best interest of the team for all parents to participate in fundraising sponsored by No Limit to offset some of the costs. If you participate in an outside booster club, please note that it is separate from No Limit and that all funds due to No Limit are due regardless of your booster club participation. The parents modeling what teamwork is improves the overall environment of the competitive team. Additionally fees arising from additional events and traveling (team fees, coaches fees for state, regional, westerns, and nationals) will be assessed to your account if funds are not raised to cover these costs. If funds are not available for these events, our team members will not be able to participate. We thank you in advance for your support.

Please return a signed team agreement (found at the end of the team manual) when you turn in your initial team payment in order to be eligible for the 2019-20 season.
